REPLY TO NOTICE OF MISSING REQUIREMENTS

Dear Mr. Anderson:

Per our telephone conversation today with regard to the subject application, this is a response to the "Notice of Missing Requirements" mailed on September 16, 2005, copy enclosed.

10/526,688

MITSP101US

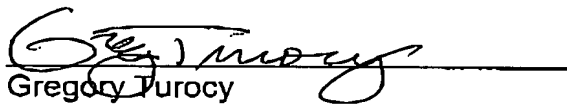

The Notice indicates that the last name of the first inventor is spelled different on the Declaration than on the published international application. In response, attached hereto is a copy of the PCT Request Form (PCT/RO/101) which accurately lists the spelling of the first inventor as Kazuo Kohmura. The PCT Request form is consistent with the Declaration-Power of Attorney (copy attached hereto) which was filed with the instant application on March 3, 2005. It appears that the PCT Office or WIPO made a typographical error in printing the publication by misspelling the last name of the first inventor as Komura.

Therefore, it is believed that applicants are in compliance with 35 U.S.C. § 371, and a new Declaration and surcharge are not required.

If there are any fees with the filing of this document they can be charged to Deposit Account No. 50-1063. Any overpayment can be credited to Deposit Account No. 50-1063.

Respectfully submitted,

AMIN & TUROCY, L.L.P.
